

CALEA Virtual Conference Exhibitor & Sponsorship Opportunities

Virtual Exhibit Hall:

Companies looking to reach conference attendees can represent their organization through a Virtual Tradeshow Booth at NO COST. Booths can be customized by adding content like bios and services, and uploading photos and videos. Virtual Tradeshow Booths also allow the booth hosts to interact with attendees through virtual meetings or calls in real time using “Talk Now Sessions”.

Sponsorship Opportunities:

Product/Company Spotlight:

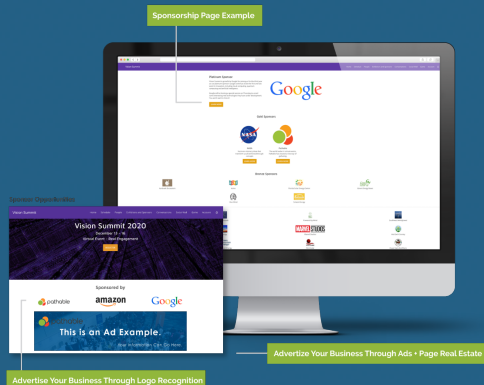

Feature a product or service on the Virtual Conference Site homepage.

Session Sponsorship:

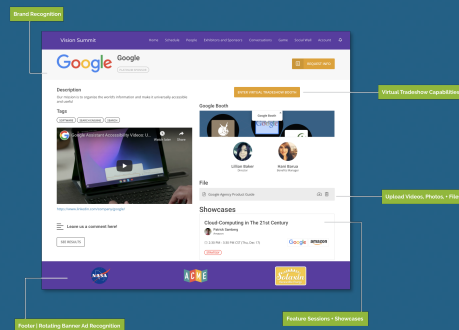

Company logos will be displayed on the session tile, and the name of the session will be displayed within the exhibitors page where the sponsorship package will be acknowledged. Sponsors will have an opportunity to record a short introduction for scheduled conference sessions.

Display Company Logo:

Company logos will be displayed on the homepage of the conference website.
